DATA SHEET

CREPE TAPE(HC-618)

Features & Applications

- Good temperature resistance, good adhesion, no residue after high temperature.
- Used in car painting masking, powder coating masking, etc.

Items	**Datas**
Backing	Crepe paper
Adhesion	rubber
Color	beige
Thickness (micron)	165±10
Initial attack(ball #)	--
Adhesion (N/25mm)	≥8
Holding power (H)	≥24
Tensile strength (N/cm)	≥55
Elongation	≤14%
Temperature Resistance (℃/30min)	180
